"This duo is AMAZING ! Although, as the bride, I didn't get to hear the music, I got MANY compliments on their talent. I would recommend these ladies to anyone that plans an outdoor wedding! " Helene

“Ellen and Priscilla were such a special part of our wedding at Ash Cave in Hocking Hills. They responded quickly and sweetly to my email inquiring about their services and sent a music clip as well. They were understanding and flexible when the wedding location was changed and kept in touch as the date neared. They arrived on time and happily relocated to another part of the cave, as we decided where the ceremony would take place. All of the songs were chosen by Ellen and Priscilla, consummate professional musicians. Our guests greatly enjoyed the music and loved chatting with the ladies, as they were truly delightful! I would recommend Delightful Sounds to anyone looking for beautiful music to compliment their event.
